

February 2020

Dear Parent / Carer

As you may already be aware, Relationships and Sex Education (RSE), along with Health Education, will soon be forming part of the National Curriculum. This change begins as of September 2020.

As part of our school's wider Citizenship curriculum, your child will continue to receive lessons on relationships, sexual health and personal safety. These lessons are, and will continue to be, taught by specialist teachers and will allow your child to understand how to be safe and healthy as they grow older.

Schools are required to consult with parents when developing and reviewing their policies for Relationships Education and RSE, which will inform the schools' decisions on when and how certain content is covered. **I would like to take this opportunity to invite you to a consultation evening on Tuesday 3rd March at 6pm here at school.**

The purpose of the changes to the upcoming curriculum is to provide knowledge and understanding of safe and healthy relationships based on respect. This is to encourage the development of safe and healthy relationships throughout life. The subject is designed to help children from all backgrounds build positive and safe relationships and to thrive in modern Britain.

You do have a right to withdraw your child from sex education delivered as part of RSE in secondary schools which, unless there are exceptional circumstances, will be granted up to three terms before your child turns 16. At this point, if the child themselves wished to receive sex education rather than be withdrawn, the school should make arrangements for this to happen in one of the three terms before the child turns 16- the legal age of sexual consent.

There is no right to withdraw from Relationships Education at secondary level and we believe the content of these subjects- such as family, friendship, safety (including online safety)- are important for all children to be taught. However, we are confident you will share our enthusiasm for the successful implementation of the new RSE curriculum, which we feel will benefit all of our students. We are looking forward to sharing further information with you on Tuesday 3rd March.

If you would like to discuss this further, please contact me on cbell@ralphthoresby.com

Yours faithfully,

Chloe Bell

Assistant Headteacher
